

Did you know that a global document existed that was created by civil society that presents an outline of values and principles for a sustainable future?

Did you know that this global document has been endorsed by hundreds of cities/towns, thousands of organizations, and tens of thousands individuals all over the world?

The Earth Charter

Values & Principles for a Sustainable Future

The 4 Pillars of the Earth Charter are:

- I. Respect and Care for the Community of Life
- II. Ecological Integrity
- III. Social and Economic Justice
- IV. Democracy, Nonviolence, and Peace

EARTH CHARTER Community Network

Join the Earth Charter Community Network to learn more about the Earth Charter and sustainable living/activism. Endorse the Earth Charter and learn all the wonderful ways this living document can lead us forward in our global transition to a sustainable future.
